Re : Approval to install venting products on Valor Branded Gas Fireplaces.

AmeriVent co-axial (4"x 6-5/8") direct vent pipe and fittings manufactured by American Metal Products are approved for use on the following Valor direct vent fireplace models:

- **Portrait 530**
- **Horizon 534**
- **Horizon 535**
- **H4 model codes 650**
- **Madrona MF28**
- **Ventana model 1200**
- **Vogue model 1300**
- **Linear L1 model 1500**

Individual venting components are listed in the instruction manuals for each of the models indicated.

Sincerely,

A handwritten signature in black ink, appearing to read 'Byron Book', written over a horizontal line.
