GENERAL SPECIFICATIONS FOR SELKIRK MODEL DFS FACTORY BUILT CHIMNEY

- May be used as a complete system when the venting of oil fired appliances requires the vent to pass through the internal area of a building.
- Can be used as a connector on oil fired appliances, to an insulated factory built chimney installed on an outside wall.
- May also be used where Type B Gas Vents are permitted.
- Type L Vent is a double wall venting system with an outer casing constructed of Galvalume or Stainless Steel and an inner liner made of Stainless Steel. The two pipes are separated by a 1/2" air space.
- Stainless Steel is Type 304 or equivalent..
- Available sizes include 4", 5", 6", 7", 8" inner diameter.
- Economically combines the principles of effective air insulation with highly corrosion-resistant materials.
- Twist-Lock collars for easy assembly/disassembly.
- Listed to ULC S-609 and ULI 641.
- Installation for oil-fired appliances is to be in accordance with the Installation Code for Oil Burning Equipment CSA-B 139 (Canada), NFPA 31 (USA).

LIMITED LIFETIME WARRANTY:

Selkirk Corporation, ("we", "us", "our") warrants Chimney & Venting products * to be free from defects in material and workmanship for as long as the original consumer owns the system. For products installed after January 1, 2000, for a period of Ten (10) years from original installation, we will provide replacement product with a similar or like quality of available product, free of charge excluding any installation costs. From the Eleventh (11) through Fifteenth (15) years we will provide replacement product to the original consumer at a cost of 75% off the published Retail Price in effect on the date the claim is received excluding any installation costs. At expiration of the Fifteen (15) year term, we will provide replacement product to the original consumer at a cost of 50% off the published Retail Price in effect on the date the claim is received excluding any installation costs.

LIMITATIONS:

Products must be installed for their intended purpose.

Products must be connected to an appliance listed with an accredited testing laboratory.

WARNING: FAILURE TO INSTALL PRODUCTS ACCORDING TO THE MANUFACTURER'S INSTRUCTIONS WILL VOID ALL APPLICABLE WARRANTIES AND MAY RESULT IN FIRE, CARBON MONOXIDE POISONING OR DEATH. SEE OUR PRODUCT INSTALLATION INSTRUCTIONS FOR COMPLETE INSTRUCTIONS.

WARRANTY COVERAGE:

All lengths, tees and elbows, and components are applicable to warranty coverage.

THIS LIMITED WARRANTY DOES NOT COVER:

- any non-stainless base tee unit mounted or connected to an Insulated Chimney system;
- costs (labor or otherwise **) associated with either removing a previously installed product, installing a replacement product, transportation or return of a product, or transportation of replacement product;
- damage to the finish of products caused by the use of improper solvents/chemicals or improper cleaning methods;
- damage resulting from failure to reasonably clean, care for or maintain products in accordance with our installation instructions/recommendations;
- damage (to products, appliances or structure) based on or resulting from improper installation or repair, misuse or abuse (including, but not limited to, excessive or improper operating condition), or alteration or adjustment other than in conformity with our installation instructions and specifications, whether performed by a contractor, service company, technician, or yourself;
- any products that have been moved from their original installation site.
- damage caused by burning driftwood, garbage, or any other prohibitive material has been burned in the appliance served by the chimney
- damage that results from accidents such as fire, flood, high winds, "acts of God", or any other contingency beyond our control.

** Due to the wide variance in installation practices and other conditions beyond our control, we do not guarantee

CLAIM PROCEDURE:

If you believe that a product is defective, notify us in writing at the following location:

SELKIRK CORPORATION

P.O. Box 526, Depot 1, Hamilton, Ontario, CANADA, L8L 7X6

ATTN: WARRANTY CLAIMS DEPARTMENT

Fax: (905) 662-5352

Notification should include a description of the product, model and serial number (if applicable) and a description of the product defect. Upon receipt of a written claim under this limited warranty and evidence of the date of purchase or installation, at our option and in our sole discretion, we will provide replacement product with similar or like quality of available product excluding any installation costs. We reserve the right to inspect or investigate any warranty claims prior to determining whether to provide replacement product. If, as determined by us that repair or replacement of the product is not commercially practicable or cannot be completed in a timely manner, we may refund the prorated purchase price paid for the product upon verification by providing a copy of your invoice or receipt of bill of sale.
